

# Adams County's Community Health

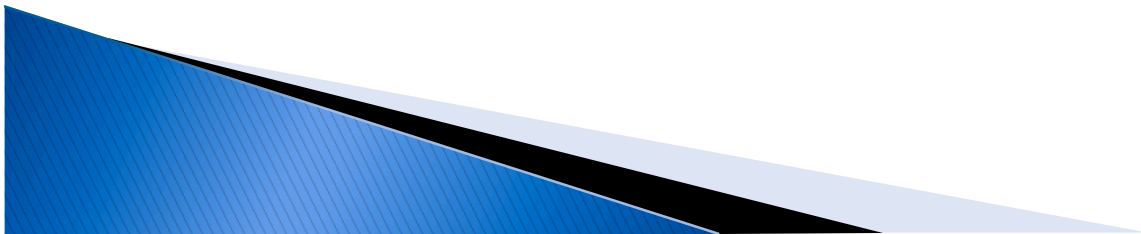

# Public Health Programs

- ▶ Essential Public Health Services
- ▶ Mandates from State Statutes/Rules/Ordinances
- ▶ Community Needs Assessments/ Community Health Improvement Plan
- ▶ WI 2020 State Health Plan goals

# Public Health Staff

- ▶ Health Officer
- ▶ 3 PH Nurses
- ▶ 1 School Nurse
- ▶ Shared administrative support

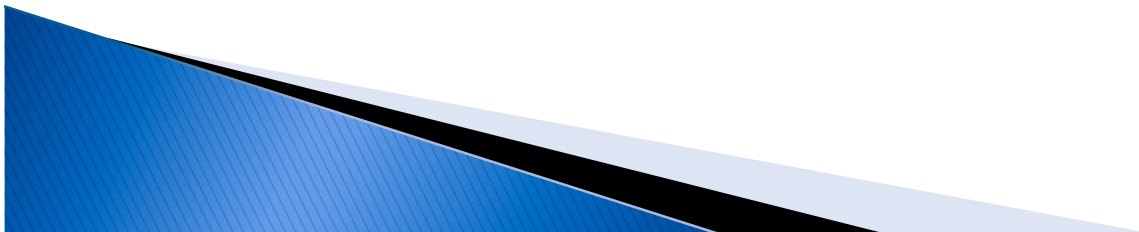

# Public Health Funding

- ▶ State/Federal grants
- ▶ Local tax levy
- ▶ Medicaid
- ▶ Other
  - Grants
  - Fees
  - Contracts
  - Donations
  - Third Party billing/insurance

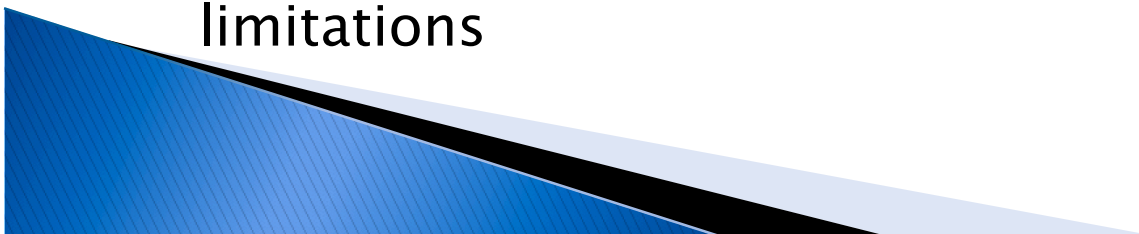

# Adams County Challenges

- ▶ Similar to other rural WI counties in the lower half of the County Health Rankings
- ▶ Poor health status
- ▶ Limited health promoting behaviors
- ▶ Limited access to providers
- ▶ Low socioeconomic status
- ▶ Poor social supports
- ▶ Transportation

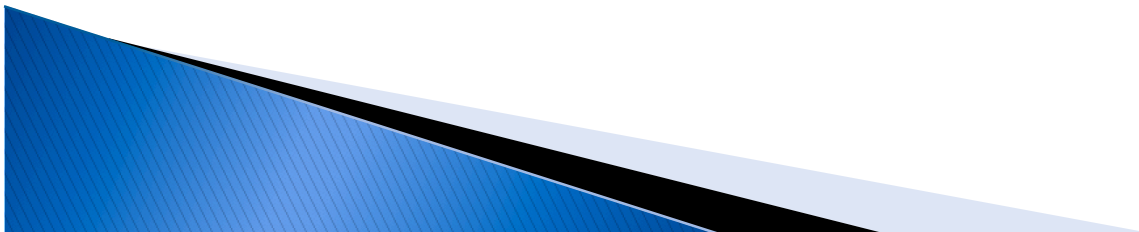

# Adams County Challenges

- ▶ Rural counties have a small population base
- ▶ Rural and poor counties present an even greater risk to public health funding due to the reliance on local tax levy
- ▶ Building capacity is difficult and limited capacity effects ability to be awarded grants
- ▶ Limited number of community partners (same people at the table)
- ▶ Most community partners experience similar resource limitations

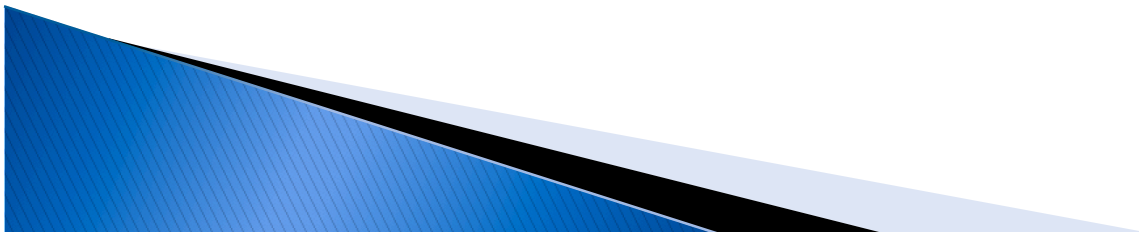

# Adams County Strengths

- ▶ Strong relationships among community organizations in support of the needs of the community
- ▶ Experienced staff with a history of serving Adams
- ▶ Innovative approaches to providing services
- ▶ Strong regional relationships
- ▶ Natural Environment
- ▶ Vibrant Community

# Efforts to Increase Capacity

- ▶ Focus primarily on grant opportunities especially those that have the potential to impact current CHIP goals
  - Health Weight Collaborative (HRSA)
  - CDC Infrastructure Grant
  - Promise Neighborhood (DOE resubmitting)
  - Healthy WI Leadership Institute (MCW/UW Mental Health)
  - UW Carbone Cancer Health Disparities (UW/NCI)
  - Donations for Cribs for Kids and Breastfeeding Support
  - USDA Infrastructure Funding
  - Expanded PNCC (MA)
  - Seal-A-Smile
  - Car Seats (DOT)
  - Family Foundations Home Visiting (DCF unfunded)
  - Social Determinants of Nutrition (HWPP Unfunded)

# Goals for the future

- ▶ Increased partnerships with hospitals including out of county resources.
- ▶ A focus on prevention and unique relationships to provide prevention services.
- ▶ Continued quality improvement and performance management to assure funding is utilized for maximum outcome.
